 - License Motivation - Andreas, Joakim
 - List of features - Andreas
- **Acceptance Tests**
 - #1 - #9 - Andreas
 - #10 - #12 - Joakim
 - #13 - Andreas
- **Test Report**
 - Introduction
 - Test Environment - Joakim
 - Automatic Test
 - Code coverage - Joakim
 - Nightly Builds - Adrian
 - Unit Test - Joakim, Daniel
- **Test Report Table** - Andreas, Joakim

Meeting protocols:

- Meeting Protocol 12-09-22 - Andreas, Joakim
- Meeting Protocol 12-09-19 - Andreas
- Meeting Protocol 12-09-17 - Adrian
- Meeting Protocol 12-09-25 - Adrian

Scrum Documentation:

Sprint 1:

- Planning meeting notes - Together (Andreas, Joakim recorded)
- Backlog - Together (Joakim recorded)
- Review meeting notes - Together (Daniel recorded)
- Retrospective meeting notes - Together (Adrian, Daniel recorded)

Sprint 2:

- Planning meeting notes - Together (Andreas, Daniel recorded)
- Backlog - Together (Andreas recorded)
- Review meeting notes - Together (Andreas recorded)
- Retrospective meeting notes - Together (Andreas, Adrian recorded)

Sprint 3:

- Planning meeting notes - Together (Daniel recorded)
- Backlog - Together (Daniel, Andreas recorded)
- Review meeting notes - Together (Adrian, Joakim recorded)

- Retrospective meeting notes - Together (Adrian recorded)
- Math Task meeting notes - Andreas recorded

Sprint 4:

- Planning meeting notes - Together (Joakim recorded)
- Backlog - Together (All recorded)
- Review meeting notes - Together (Andreas, Daniel recorded)
- Retrospective meeting notes - Together (Andreas recorded)
- Supervisor meeting - Together (Andreas recorded)

Sprint 5:

- Planning meeting notes - Together (Joakim recorded)
- Backlog - Together (Joakim recorded)
- Review meeting notes - Together (Andreas, Joakim recorded)
- Retrospective meeting notes - Together (Andreas recorded)

Others:

Invite to and lead meetings:

Made by scrum master Andreas almost every time. This applies to Daily Scrum, Planning, Review, Retrospective etc.

Perform tests:

Jenkins configuration - Adrian

Acceptance tests - Andreas
