Retrospective notes

Sprint 4

Did we improve on the things we said we needed to improve?
"

1. Keep working on workload distribution and group member involvement.

" - from previous sprint

1. Could be a lot better, not as much improvement as wanted.

What went well this sprint?
1. Got much work done.
2. Starting to feel like a releasable product.

What didn't go well?
1. Continuously bad workload distribution
2. Daily scrum
3. Communication
4. Keep deadlines

What can we change so we can do a better work next sprint?
1. Better workload distrubition
2. Communication
3. Daily scrum
